

## Employment Opportunity

### Chieftain Energy – Long-Haul Fuel Transport Driver

**Competition#:** 4N18-102  
**Wage:** Commensurate with Experience  
**Hours of Work:** Full-Time  
**Duration:** Permanent  
**Location:** Whitehorse, Yukon  
**Closing Date:** Until filled

Air North, Yukon's Airline has always taken pride in providing the most authentic Yukon hospitality experience to all its customers. In 2016 Air North, Yukon's Airline was named the second most-loved airline in the world. This is a testament to the dedication and hard work of Air North's employees and the loyalty of their customers. Air North's strategic direction to optimize the management of fuel costs is key to Air North's sustainability and job creation. Chieftain Energy is an added value that will contribute to keeping airfares as affordable as possible for Yukoners and visitors.

The partners of Chieftain are excited and committed to powering Yukon's future and operating in business that enhances the lives of Yukoners, enriches the lives of its employees and shareholders and above all else delivers a competitive product to its customers. As an Air North employee via Chieftain you will be offered a top-tier benefits package that includes competitive salaries, extended health and dental, Group RRSP plans and extensive travel perks with various carriers hosted through MyID Travel.

Long-haul Fuel Transport Drivers are responsible for operating Super-B, B-Train, and Tri/Quad configuration transport trucks and trailers within the Yukon, N.W.T, B.C., Alberta, and Alaska for purposes of obtaining fuel from fuel suppliers and delivering into Company storage or direct-to-customer. The Driver shall at all times operate in accordance with the Company's policies and procedures in order to maximize the safety and environmental responsibility of the operation.
