

Employment Opportunity

Ground Support Equipment (GSE) Heavy Duty/Automotive Mechanic

Competition #: 4N19-073
Wage: Commensurate with experience
Hours of Work: Permanent Full-Time (40 hours per week)
Location: Richmond, BC
Closing Date: Until Filled

Air North, Yukon's Airline is a growing Airline based in Whitehorse, Yukon that offers its employees a top-tier benefits package that includes competitive salaries, extended health and dental, Group RRSP plans and extensive travel perks with various carriers hosted through MyID Travel.

Air North, Yukon's Airline has always taken pride in providing the most authentic Yukon hospitality experience to all its customers. In 2016 Air North, Yukon's Airline was named the second most-loved airline in the world. This is a testament to the dedication and hard work of Air North's employees and the loyalty of their customers. Air North has scheduled service between Whitehorse, Vancouver, Kelowna, Calgary, Edmonton, Ottawa, Yellowknife, and Victoria as well as many Northern routes.

While aircraft are the most visible machines that an airline owns, just as critical to day-to-day operations is an airline's ground equipment – and those responsible for maintaining them. We're seeking a talented GSE Mechanic to assist with the ongoing maintenance of everything from portable stairs to fuel and food trucks, tow tractors, aircraft tugs, GPUs and vehicles. Roll up your sleeves and work on everything from standard maintenance to troubleshooting unexpected issues, as well as ongoing projects. No two days will be alike!

Job Requirements/Key Responsibilities Include:

- Maintaining ground support equipment, vehicles and facilities on a scheduled and as-needed basis
- Ensure preventative maintenance is scheduled and conducted for all properties
- Provide trouble-shooting and diagnostic assessment of equipment, vehicles and facilities
- Maintain records of repairs, inventory and preventative maintenance
- Maintain tools, shop and equipment in safe and operational working condition
- Keep work areas clean and free from hazards

Would you describe yourself as having:

- Knowledge of drive-trains, diesel and gasoline engines, propane fuel, complex electrical and hydraulic systems, and metal fabrication and welding
- The ability to understand various schematic diagrams for maintenance troubleshooting and proficiency with computers and diagnostic tools
- Excellent written and verbal English communication skills
- Ability to work in all weather conditions and flexibility with shift scheduling
- Ability to work well independently and as a team with minimal supervision

Qualifications/Conditions of Employment:

- Minimum 5 years' experience relevant GSE mechanical experience or equivalent education
 - Red Seal Certification (or in progress with Journeyman status) an asset (Heavy Duty or Automotive Mechanic)
- Ability to obtain a Restricted Area Identification Card (RAIC) from Transport Canada.
- Valid driver's license & the ability to obtain an Airside Vehicle Operators Permit (AVOP).
- Demonstrated ability to properly use tools, diagnostic equipment, maintain and repair equipment
- Must be a Canadian citizen, Permanent Resident, or show proof of right to work in Canada

How to Apply:

Quoting competition #4N19-073, please submit your resume to the Hiring Manager:

Email: yimi@flyairnorth.com

In Person: Air North Office, B4145 – 3211 Grant McConachie Way, Richmond, BC, Canada

Fax: 867.667.2775

Air North, Yukon's Airline is committed to employment equity, and has been serving Yukoners for over 40 years. We offer competitive wages, an attractive benefits package including great travel perks, and an enriching work environment for our 500+ employees.

We wish to express our appreciation to all applicants for their interest in this position. Due to the substantial volume of applications we receive, only candidates selected for an interview will be contacted. Applicants must clearly indicate that they meet the minimum qualifications to be considered for a position.
